

WHO ARE WE?

A POTTED HISTORY OF CHECKS & GREYS:

We take our name from the Blackburn Checks & Greys – traditional weaving patterns for which the town was once world-famous.

This forgotten piece of Blackburn's history has been revived by our business, bringing the name back to the local community as a source of pride and achievement. Checks & Greys is a place for the people of Blackburn to enjoy as their own – to meet, eat, drink & relax in comfortable surroundings.

WHAT WE DO:

Independently owned and run, situated in the beautiful, peaceful setting of Blackburn Cathedral's modern cloisters and overlooking the new Cathedral Square development, ours is the ideal place to catch up with friends old and new.

Savour a delicious dish from our breakfast and lunch menus, replete with the finest local & seasonal ingredients. view our menu or reserve a table now on our website at www.checksandgreys.co.uk
